

**Annex 5b. Self-Assessment Form for Meeting the Minimum Criteria
for the Position of Scientific Researcher (CS)**

Candidate for the position of
.....

I. Published Scientific Works – Articles and Presentations

Article/Presentation	Standard minimal impus	Standard minimal realizat	Punctaj realizat
0	1	2	3
• Scientific articles published in ISI-indexed specialty journals ^(a)	1		
- Q1 Category			
- Q2 Category			
- Q3 or Q4 Category			
• Scientific articles published in BDI-indexed specialty journals	1		
• Published book / Book chapter	-		
• Scientific works presented at conferences and scientific events with a program committee	1		
- National			
- International			
Total score Section I			

II. Applied Research and Technological Development

Type of work	Standard minimal impus	Standard minimal realizat	Punctaj realizat
0	1	2	3
• Patent application	-		
• Granted patent / certified product / certified technology / certified software application	-		
• Modeling of physical systems (simulations, computational models, methodologies for calculation and analysis, experimental procedures, etc.)*	1		
• Experimental models, functional models, prototypes, analytical methods*	1		
• Technical projects, technical specifications, technical plans, software applications, databases*	-		
• Submitted R&D projects	-		
• Awarded R&D projects	-		
Total score Section II			

III. Evaluation of Scientific Prestige

Type of Work/Activity	Standard minimal impus	Standard minimal realizat	Punctaj realizat
0	1	2	3
• International scholarship	-		
• Scientific seminar abroad	-		
• National scientific seminar	1		
• Doctoral degree	-		
• National awards and distinctions, obtained through a selection process	-		
• International awards and distinctions, obtained through a selection process	-		
• Citations of research results	-		
• Membership in professional/scientific organizations or associations	-		
• Doctoral candidate – exams and reports completed during training program	-		
• Reviewer for ISI-indexed scientific journals	-		
• Reviewer for BDI-indexed scientific journals	-		
Total score Section III			
Total score (I + II + III)			

NOTE:

A list of supporting documents must be attached for each respective category.
